Product Overview

The Sun-Mar Centrex 1000-NE is ideal for light to medium seasonal use. It is specially designed for narrow spaces, being only 22.5 in. wide. The Centrex 1000-NE is a non-electric unit for those with no continuous 110-Volt power supply. All Sun-Mar composting toilets incorporate a patented Bio-drum which ensures fast and odorless decomposition. Saves thousands of gallons of water, while recycling waste into soil. The unit is shipped fully assembled. A one pint flush toilet is required for use with this unit (sold separately). Seasonal capacity: 4 adults or families of 6.
